**BISHOP'S APPEAL 2018**

**THE BISHOP'S APPEAL:** At this time of year, when our nation offers thanksgiving for all God's blessings, Our Lord speaks to us in the Gospel about being rich in the things of God and about storing up treasure in Heaven instead of clinging to our worldly goods. Let us give back to the Lord in return for all the blessings he has bestowed upon us and our families. Offer thanks to God by giving a generous gift to the Bishop's Appeal. Extra Appeal envelopes are available in the narthex. Thank you for your generosity.

**GOD SPEAKS TO US WITH PARABLES**

**Why Parables at All?** Christ makes a distinction between those whose curiosity might be roused by a parable and his committed followers who might be expected to understand His teachings. It takes a commitment of faith to make a hearer able to understand the mysteries of the kingdom. People who have already come to see Jesus as Lord and Messiah are already well disposed to incorporate His teachings in their lives. Hearers who have yet to do so are not ready to grasp the heart of His teachings. In the age when the Church developed the catechumenate for instructing new believers, a similar process was employed. People's attention was captured during the time of "pre-catechesis." Once the hearer displayed a measure of faith, they were instructed in the history of God's saving works. Not until the new believer had professed the Church's faith and had been baptized, was the doctrine of the holy mysteries presented. We see traces of this process in our liturgical cycle surrounding Pascha. During the Great Fast our Scripture readings focus on the ethical teaching of the Wisdom books and on the basis of salvation history recorded in the Torah. Only after baptism at Pascha does the new Christian hear about the holy mysteries, the heart of Christian experience.
